

# Crazy Eight Puzzle

## Mission

- Eight crazy families have lost each other at an amusement park and your job is to reunite them.

## Get Ready

- Print pages 2 and 3 back-to-back.
- Fold along the dotted lines.
- Cut along the solid lines.

## Now What

- Fold your paper all different ways until you have four boxes containing the same number.
- Continue folding until you have successfully matched up numbers 1 - 8.

Thank you **Math in the Middle** for this puzzle.
