# HALL PASS

- Classroom time is valuable learning time. In order to protect this limited amount of time, you will only be allowed four hall passes per quarter.
- No hall passes may be used during instructional time. They may only be used during independent work time.
- Each time you wish to use a hall pass, write the date and your destination on the appropriate line and get your teacher to initial and record your time out and in.
- You must have your notebook in order to use a hall pass. You may only use hall passes from your own notebook.
- If an emergency arises, please be sure to let your teacher know.
