

Let's Make A Circle Graph

Question:

Will this question lead to quantitative or categorical data?

Data Collection:

Make a Graph:

What information could someone find from your graph?

Let's Make A Circle Graph

Question:

Will this question lead to quantitative or categorical data?

Data Collection:

Make a Graph:

What information could someone find from your graph?

Let's Make A Bar Graph

Question:

Will this question lead to quantitative or categorical data?

Data Collection:

Make a Graph:

What information could someone find from your graph?

Let's Make A Bar Graph

Question:

Will this question lead to quantitative or categorical data?

Data Collection:

Make a Graph:

What information could someone find from your graph?

Let's Make A Stem-and-Leaf Graph

Question:

Will this question lead to quantitative or categorical data?

Data Collection:

Make a Graph:

Key:

What information could someone find from your graph?

Let's Make A Stem-and-Leaf Graph

Question:

Will this question lead to quantitative or categorical data?

Data Collection:

Make a Graph:

Key:

What information could someone find from your graph?

Let's Make A Box-and-Whisker Plot

Question:

Will this question lead to quantitative or categorical data?
