

Team

Roles

Facilitator

- Get your team off to a quick start.
- Make sure everyone in your team understands the task before beginning.
- Organize your team so your team can complete the task together.

Resource Monitor

- Collect supplies for your team.
- Call the teacher over if your team has a group question.
- Care for and return your team's supplies.
- Organize your team's clean-up efforts.

Reporter

- Give updates about your team's progress.
- Make sure each of your team members records their own work or data.
- Organize and introduce your team's group report.

Team Captain

- Encourage each of your teammates to participate.
- Make sure your team is following the group norms.
- Help your team find compromises.
- If anybody in your team is absent, fill in for their role.
